

Touch Through Glass

Turn a window into an interactive touch screen.

Why stop promoting your products or engaging with your customers just because your shop is closed? A Touch through AlphaGlass installation will attract passers-by to view your catalogue, special offers, featured products and services and seasonal promotions 24 hours a day, 7 days a week. Using high impact, high definition banners and video's you really can be open for business, all of the time. Perfect for high street retail outlets, estate and letting agents, restaurants and cafe's the possible uses of AlphaGlass are limitless. AlphaGlass can be used with your existing in-shop displays or make use of our own Commercial displays and all installation and maintenance is undertaken by our in house team of experts.
